5. Coding Events

- The main motto of conducting Virtual Coding is to know the knowledge of the students related to coding. • Most of the students want to appear for high package companies like Google, Yahoo, Amazon etc. For such students this Virtual Coding will be more helpful.
- We are inviting the Experts who have very good knowledge in different technologies. • Based on the experts' queries in the session the student will be able to understand how much he/she is able to solve the queries given by them. • The Experts are also from different areas who have Industry Experience more than 14 years. • We are conduct the first session through Google Coding in the second week of October
- The Industry Expert Ravi Kiran Jagarlamudi who works as a Team Lead @ Splunk, Ex-Facebook engineer (Mobile) at San Jose, California, USA is invited to conduct the Virtual Coding Session in the second week of October • These Virtual Coding sessions will be conducted to current Final years where 6 students are selected based upon their CGPA
- In the first session expert interact with student, expert identify the level of coding in different programming languages and give suggestion to them like practice coding contest in Leetcode
- In the next sessions it is one to one interaction, expert interacting with one student at a time, expert giving a problem statement through Jam board and google docs, student first explaining what he or she understood then he/she writes logic through Collab edit and GDB compiler.
- After students completed his or her logic, expert gave feedback to the student, how he analyzes the problem and coding skills etc.
- After completing the session, we shared a google form to the expert and gave suggestions and at what level there are in the coding, communication skill, problem solving skills.

Dr.K.SHARADA Assistant Prof, Dept of IT has attended the FDP on Data Science held from 1.6.2020 to 30.6.2020

M.SWATHI Assistant Prof, Dept of IT has attended the FDP on INTELIGENT LEARNING held from 17.02.2021 to 23.02.2021

Dr.V.SURESH Assistant Prof, Dept of IT has attended the FDP on Effective Teaching Pedagogy held from 20.7.2020 to 27.7.2020

Mrs. Surekha A Assistant Prof, Dept of IT has attended the FDP on National IP Literacy week held from 15.10.2020 to 23.10.2020

Mrs. G vijaya Lakshmi Assistant Prof, Dept of IT has attended the FDP on INTELLIGENT LEARNING held from 18.3.2021 to 24.3.2021

Satish Kumar P Assistant Prof, Dept of IT has attended the FDP on Android Development with kotlin held from 22.3.2021 to 27.3.2021

Mr. Satya Prasad D Assistant Prof, Dept of IT has attended the FDP on Data Science & its applications in STEM held from 7.9.2020 to 21.9.2020

Mr. K.V.Chandrasekhar Assistant Prof, Dept of IT has attended the FDP on Application of Datascience for industries problem through python held from 10.8.2020 to 28.8.2020

Dr. Ram Prasad Reddy Sadi Assistant Prof, Dept of IT has attended the FDP on Microsoft AI Classroom Series by Microsoft held from 1.4.2021 to 1.4.2021

Mr. Ravi Gorli Assistant Prof, Dept of IT has attended the FDP on Google Train the Trainer, Android Development with Kotlin held from 31.8.2020 to 5.9.2020

Mr. Prasadu Reddi Assistant Prof, Dept of IT has attended the FDP on Intelligent Learning held from 44273 to 44279

Ms. J.S.V.S Hari Priyanka Assistant Prof, Dept of IT has attended the FDP on "Intelligent Learning" held from 44244 to 44250

Mr. Ch.DemuduNaidu Assistant Prof, Dept of IT has attended the FDP on Intelligent Learning held from 18.03.2021 to 24.03.2021

Ms. V.Annapoorna Assistant Prof, Dept of IT has attended the FDP on Intelligent Learning held from 18.03.2021 to 24.03.2021

Ms. M.Swathi Assistant Prof, Dept of IT has attended the FDP on Intelligent Learning held from 18.03.2021 to 24.03.2021

Mrs. Alekya Vale Assistant Prof, Dept of IT has attended the FDP on IoT held from 24.08.2020 to 05.09.2020

N.Aditya Sundar Assistant Prof, Dept of IT has attended the FDP on Six Weeks Online Training on Data Science - to held from 05.06.2020 to 17.07.2020

Dr.A.Anupama Assistant Prof, Dept of IT has attended the FDP on Intelligent learning held from 27.04.2021 to 3.05.2021

Dr.M.Rekha Sundari Assistant Prof, Dept of IT has attended the FDP on National IP Literacy week held from 15.10.2020 to 23.10.2020

A DURGA PRAVEEN KUMAR Assistant Prof, Dept of IT has attended the FDP on FDP-Intelligent Learning held from 18.03.2021 to 24.03.2021

Faculty Participations (FDP's)

Dr. P. Padmaja, Professor, Dept of IT, has participated a FDP named "Introduction to Internet of Things" from 27.2.22 to 23.4.22 organised by NPTEL

Dr. M. Rekha Sundari, Associate Professor, Dept of IT, has participated a FDP named "Best Teaching Learning and Assessment Practices in Computer Science/Information Technology based on National Education Policy (NEP)" from 44382 to 44386 organised by

Dr. M. Rekha Sundari, Associate Professor, Dept of IT, has participated a FDP named "Artificial Intelligence and Conceptualization of Algorithms using Python" from 44389 to 44393 organised by

Dr. K Sharada, Associate Professor, Dept of IT, has participated a FDP named "Data Sciences" from 44296 to 44418 organised by NPTEL

Dr. Ram Prasad Reddy Sadi, Associate Professor, Dept of IT, has participated a FDP named "Deep Learning and Computer Vision" from 44383 to 44506 organised by ATAL

Dr. Ram Prasad Reddy Sadi, Associate Professor, Dept of IT, has participated a FDP named "AI, ML and Deep Learning" from 21-06-2021 to 26-06-2021 organised by AICTE

Dr. Ram Prasad Reddy Sadi, Associate Professor, Dept of IT, has participated a FDP named "Multitechnology" from 28-06-2021 to 44262 organised by NYCI/Brain O Vision

Dr. Ram Prasad Reddy Sadi, Associate Professor, Dept of IT, has participated a FDP named "Fundamentals in Game Development Using Unity 3D and C#" from 16-08-2021 to 44205 organised by APSSDC

Dr. Ram Prasad Reddy Sadi, Associate Professor, Dept of IT, has participated a FDP named "Google Android Development with Kotlin" from 44356 to 44509 organised by APSSDC

Dr. Ram Prasad Reddy Sadi, Associate Professor, Dept of IT, has participated a FDP named "Quantum Computing" from 25-10-2021 to 29-10-2021 organised by ATAL

Dr. Ram Prasad Reddy Sadi, Associate Professor, Dept of IT, has participated a FDP named "Reinforcement Learning and its Applications" from 44419 to 44541 organised by ATAL

Dr. Anupama Angadi, Associate Professor, Dept of IT, has participated a FDP named "Emerging Trends in the Applications of Machine Learning and Artificial Intelligence" from 21-6-2021 to 25-6-2021

Dr. Anupama Angadi, Associate Professor, Dept of IT, has participated a FDP named "Artificial Intelligence and Conceptualization of Algorithms using Python" from 12-7-2021 to 16-7-2021

Dr. Anupama Angadi, Associate Professor, Dept of IT, has participated a FDP named "Role of Machine Intelligence for Information Retrieval" from 6-2-2021 to 11-6-2021

Dr. Anupama Angadi, Associate Professor, Dept of IT, has participated a FDP named "Cyber Security and Incident Analysis" from 19-7-2021 to 23-7-2021

Dr. V. Suresh, Assistant Professor, Dept of IT, has participated a FDP named "The Impact of Quantum Computing on Cryptography and Blockchain Technology" from 13/09/2021 to 17/09/2021 organised by AICTE-ATAL

Dr. V. Suresh, Assistant Professor, Dept of IT, has participated a FDP named "Cyber Security" from 04/10/2021 to 08/10/2021 organised by AICTE-ATAL

Dr. V. Suresh, Assistant Professor, Dept of IT, has participated a FDP named "A Novel Architecture Early detection of Brain Stroke-Patent" from 04/10/2021 to 08/10/2021 organised by AICTE-ATAL

Ms. Vaddadi Annapoorna, Assistant Professor, Dept of IT, has participated a FDP named "Industry Oriented FDP on Data Science" (ATAL FDP) from 19-07-2021 to 23-07-2021 organised by ATAL

Ms. Vaddadi Annapoorna, Assistant Professor, Dept of IT, has participated a FDP named "Blockchain and Distributed Ledger Technology" (AICTE) from 18-12-2021 to 24-12-2021 organised by AICTE

Ms. Vaddadi Annapoorna, Assistant Professor, Dept of IT, has participated a FDP named "Data Analytics" from 44323 to 44446

Ms. J.S.V. Sai Hari Priyanka, Assistant Professor, Dept of IT, has participated a FDP named "Multi Technology" from 28-06-21 to 44262 organised by Brain O vision & National Youth Council of India

Ms. J.S.V. Sai Hari Priyanka, Assistant Professor, Dept of IT, has participated a FDP named "Robotics" from 23-08-21 to 27-08-21 organised by ATAL

Ms. J.S.V. Sai Hari Priyanka, Assistant Professor, Dept of IT, has participated a FDP named "Recent Advances and Trends in Lightweight Cryptography for IoT Security and Blockchain Technologies" from 27-07-21 to 31-07-21 organised by ATAL

Mr. Prasad Reddi, Assistant Professor, Dept of IT, has participated a FDP named "Industry Oriented FDP on Data Science" (ATAL FDP) from 19-07-2021 to 23-07-2021 organised by ATAL

Mr. Prasad Reddi, Assistant Professor, Dept of IT, has participated a FDP named "Blockchain and Distributed Ledger Technology" (AICTE) from 18-12-2021 to 24-12-2021 organised by AICTE

Ms. M. Navya Sri, Assistant Professor, Dept of IT, has participated a FDP named "Industry Oriented FDP on Data Science" (ATAL FDP) from 19-07-2021 to 23-07-2021 organised by ATAL

Ms. M. Navya Sri, Assistant Professor, Dept of IT, has participated a FDP named "Blockchain and Distributed Ledger Technology" (AICTE) from 18-12-2021 to 24-12-2021 organised by AICTE

Ms. M. Navya Sri, Assistant Professor, Dept of IT, has participated a FDP named "Data Science and Artificial Intelligence in Chemical Engineering: Recent trends and Future Outlook" from 31/08/2021 to 44295

Ms. M. Navya Sri, Assistant Professor, Dept of IT, has participated a FDP named "Social Signal Processing" from 24-01-2022 to 28-01-2022 organised by GIAN

Ms. M. Navya Sri, Assistant Professor, Dept of IT, has participated a FDP named "Statistical Analysis and Techniques using R" from 21-02-2022 to 25-02-2022

Ms. M. Navya Sri, Assistant Professor, Dept of IT, has participated a FDP named "2nd Phase of Ambassador training program-IIC" from 16/08/2021 to 31/08/2021

Mrs. A. Surekha, Assistant Professor, Dept of IT, has participated a FDP named "Recent Advances and Trends in Lightweight Cryptography for IoT Security and Blockchain Technologies" from 27-07-21 to 31-07-21 organised by AICTE ATAL FDP

Mrs. A. Surekha, Assistant Professor, Dept of IT, has participated a FDP named "Robotics" from 23-08-21 to 27-08-21 organised by AICTE ATAL FDP

Mrs. G. Vijaya Lakshmi , Assistant Professor, Dept of IT, has participated a FDP named "Industrial Applications of Machine Learning and Artificial Intelligence" (ATAL) from 44356 to 44478 organised by AICTE ATAL FDP

Mrs. G. Vijaya Lakshmi , Assistant Professor, Dept of IT, has participated a FDP named "Data Science and Artificial Intelligence in Chemical Engineering: Recent trends and Future Outlook" from 31/08/2021 to 44295 organised by AICTE ATAL FDP

Mr. A. Durga Praveen Kumar, Assistant Professor, Dept of IT, has participated a FDP named "Industrial Applications of Machine Learning and Artificial Intelligence" (ATAL) from 44356 to 44478

Mr. A. Durga Praveen Kumar, Assistant Professor, Dept of IT, has participated a FDP named "Statistical Analysis and Techniques using R" from 21/02/2022 to 26/02/2022

Faculty Participations (FDP's)

Mrs. K. Swathi Lakshmi Durga , Assistant Professor, Dept of IT, has participated a FDP named "Data Science and Artificial Intelligence in Chemical Engineering: Recent trends and Future Outlook" from 31/08/2021 to 44295

Mrs. K. Swathi Lakshmi Durga , Assistant Professor, Dept of IT, has participated a FDP named "Research trends in computer vision and Natural Language Processing" from 19/07/2021 to 23/07/2021 organised by ATAL

Mrs. K. Swathi Lakshmi Durga , Assistant Professor, Dept of IT, has participated a FDP named "IOT and Robotics" from 21/06/2021 to 25/06/2021 organised by ATAL

Mrs. V. Alekya, Assistant Professor, Dept of IT, has participated a FDP named "Research Trends in Computer Vision and Natural Language Processing" from 19-7-2021 to 23-7-2021

Mrs. V. Alekya, Assistant Professor, Dept of IT, has participated a FDP named "IoT and Robotics" from 21-6-2021 to 25-6-2021

Mrs. M. Swathi, Assistant Professor, Dept of IT, has participated a FDP named "AI and IoT- Based Technology for Precision Farming and Smart Agriculture" from 44383 to 44506 organised by ATAL

Mrs. M. Swathi, Assistant Professor, Dept of IT, has participated a FDP named "Machine Learning Using Python" from 16/08/2021 to 44295 organised by APSSDC

Mrs. Andhavarapu Bhanusri, Assistant Professor, Dept of IT, has participated a FDP named "Research trends in computer vision and Natural Language Processing" from 19/07/2021 to 23/07/2021 organised by ATAL

Mrs. Andhavarapu Bhanusri, Assistant Professor, Dept of IT, has participated a FDP named "Role of Machine Intelligence for Information Retrieval" from 44354 to 44507 organised by CSI & ISTE

Mrs. Andhavarapu Bhanusri, Assistant Professor, Dept of IT, has participated a FDP named "Multi Technology" from 28/06/2021 to 44262 organised by Brain o vision & National youth council of India and Computer society of India

Mr. Gorli Ravi, Assistant Professor, Dept of IT, has participated a FDP named "Machine Learning Using Python" from 16/08/2021 to 44295

Mr. Gorli Ravi, Assistant Professor, Dept of IT, has participated a FDP named "Research Trends in Computer Vision and Natural Language Processing" from 19/07/2021 to 23/7/2021

Mr. Gorli Ravi, Assistant Professor, Dept of IT, has participated a FDP named "Architecture and technologies for 5G and beyond wireless networks", IIT BHU Varanasi, AICTE & ATAL from 16-08-2021 to 20-08-2021 organised by AICTE, ATAL

Mr. Gorli Ravi, Assistant Professor, Dept of IT, has participated a FDP named "Concepts of Software Engineering, NITTTR Kolkata" from 44235 to 44355 organised by NITTTR

Mr. Gorli Ravi, Assistant Professor, Dept of IT, has participated a FDP named "How to Exploit (Secure) Web Applications" from 26-07-2021 to 30-07-2021 organised by ATAL

Mr. Gorli Ravi, Assistant Professor, Dept of IT, has participated a FDP named "Data Analytics" from 44323 to 44446 organised by ATAL

Mr. Gorli Ravi, Assistant Professor, Dept of IT, has participated a FDP named "ICT Tools for Teaching and Learning" from 44359 to 44481 organised by NITTTR

Ms. Venkata Nagamani Vadlamani, Assistant Professor, Dept of IT, has participated a FDP named "Modulation, Coding and Multiple Access Techniques for Wireless Communications and Storage Networks" from 15-11-2021 to 19-11-2021 organised by ATAL

Dr. Satish Kumar Patnala, Assistant Professor, Dept of IT, has participated a FDP named "Internet Of Things (IoT) using Arduino & Raspberry PI" from 25/10/2021 to 29/10/2021 organised by ATAL

Dr. Satish Kumar Patnala, Assistant Professor, Dept of IT, has participated a FDP named "Artificial Intelligence and Machine Learning with Data Science" from 14/07/2021 to 18/07/2021 organised by ATAL

Ms. Uppada Gautami, Assistant Professor, Dept of IT, has participated a FDP named "Towards 5G & Beyond with IoT and Machine Learning" from 44403 to 44407 organised by ATAL

Ms. Uppada Gautami, Assistant Professor, Dept of IT, has participated a FDP named "Sensor Data Analytics" from 29/11/2021 to 44267 organised by ATAL

Ms. Uppada Gautami, Assistant Professor, Dept of IT, has participated a FDP named "Machine Intelligence for Computer Vision" from 28-02-2022 to 44684 organised by AICTE-QIP-STC

Ms. Uppada Gautami, Assistant Professor, Dept of IT, has participated a FDP named "Advancements In Security Using Deep Learning" from 21-03-2022 to 25-03-2022 organised by ASDL-2022

Ms. Uppada Gautami, Assistant Professor, Dept of IT, has participated a FDP named "Advanced Machine Learning Applications and Challenges" from 18-04-2022 to 29-04-2022 organised by E&ICT Academy

Mr. D. Satya Prasad, Assistant Professor, Dept of IT, has participated a FDP named "Industrial Applications of Machine Learning and Artificial Intelligence" (ATAL) from 44356 to 44478

Ms. D. Chandrika, Assistant Professor, Dept of IT, has participated a FDP named "Statistical Analysis and Techniques using R" from 21/02/2022 to 26/02/2022

Ms. D. Chandrika, Assistant Professor, Dept of IT, has participated a FDP named "International Collaboration: Current Trends" from 18/03/2022 to 19/03/2022

Mrs. P. Naveena, Assistant Professor, Dept of IT, has participated a FDP named "Signal Processing for Cognitive Neuroscience Applications" by NIT, Meghalaya from 17-01-2022 to 21-01-2022 organised by AICTE - ATAL

Mrs. P. Naveena, Assistant Professor, Dept of IT, has participated a FDP named "Open Tools for Research" from 24-01-2022 to 28-01-2022 organised by NITTTR

Mrs. P. Naveena, Assistant Professor, Dept of IT, has participated a FDP named "Secure Website Development" from 14-03-2022 to 18-03-2022 organised by NITTTR

Faculty Publications in Journals - 2021-22

Dr. P.Padmaja Professor, Dept of IT, has published a paper with title Diabetic Retinopathy Detection in International Journal of analytical and experimental model analysis, with ISSN no 0886-9367 indexing in UGC-CARE Group 'II' Journals list -Serial No. 36272

Dr. P.Padmaja Professor, Dept of IT, has published a paper with title Sentiment analysis of scrapped tweets in International Journal of Advanced in Management, Technology and Engineering Sciences with ISSN no ISSN NO : 2249-7455 indexing in UGC APPROVED JOURNAL

Dr. P.Padmaja Professor, Dept of IT, has published a paper with title Smart Attendance system though AI in International Journal of Advanced in Management, Technology and Engineering Sciences with ISSN no ISSN NO : 2249-7455 indexing in UGC APPROVED JOURNAL

Dr.M.Rekha Sundari Associate Professor, Dept of IT, has published a paper with title Handling Imbalanced Data with Machine Learning Algorithms in International Journal of Advanced in Management, Technology and Engineering Sciences with ISSN no ISSN NO : 2249-7455 indexing in UGC APPROVED JOURNAL

Dr.M.Rekha Sundari Associate Professor, Dept of IT, has published a paper with title Leaf Disease Detection in International journal of analytical and experimental modal analysis June/2021 ,Publication Issue: May-June 2021 with ISSN no ISSN NO:0886-9367 indexing in UGC-CARE Group 'II' Journals list -Serial No. 36272

Dr. A.Anupama Associate Professor, Dept of IT, has published a paper with title A Differential Privacy Preserving-based Approach using Hellinger distance Similarity Metric for Collaborative Filtering in High Dimensional Data Set in International Journal of Business Information Systems with ISSN no 1746-0980 indexing in Scopus

Dr.A.Anupama Associate Professor, Dept of IT, has published a paper with title MVPO Predictor: Deep Learning-Based Tumor Classification and Survival Prediction of Brain Tumor Patients with MRI Using Multi-Verse Political Optimizer in International Journal of Pattern Recognition and Artificial Intelligence with ISSN no 2180014 indexing in SCI

Dr. Ram Prasad Reddy Sadi Associate Professor, Dept of IT, has published a paper with title Intelligent Identification of Liver Diseases (IILD) based on Incremental Hidden Layer Neurons ANN Model in International Journal of Computing and Digital Systems with ISSN no 2210-142X indexing in Scopus

Dr. Ram Prasad Reddy Sadi Associate Professor, Dept of IT, has published a paper with title Voice Assistant using Artificial Intelligence in International journal of engineering development and research with ISSN no 2321-9939 indexing in Others

Dr. Ram Prasad Reddy Sadi Associate Professor, Dept of IT, has published a paper with title Synthetic Data Generation of Patients using GANs in International Journal of Advanced in Management, Technology and Engineering Sciences with ISSN no 0886-9367 indexing in UGC APPROVED JOURNAL

Ravi Gorli Assistant Professor, Dept of IT, has published a paper with title Deep Learning and Edge Computing for the IoT Applications in Journal of Huazhong University of Science and Technology with ISSN no 1671-4512 indexing in UGC Care Group-2

Ravi Gorli Assistant Professor, Dept of IT, has published a paper with title Improving the Efficiency of Inventory Management in Journal of Huazhong University of Science and Technology with ISSN no 1671-4512 indexing in "Ravi Gorli Assistant Professor, Dept of IT, has published a paper with title Remotely controlled agricultural pump in International Journal of Scientific Research in Engineering and Management with ISSN no 2582-3930 indexing in UGC Care"

Faculty Publications in Journals - 2021-22

Dr. Anupama Angadi Associate Professor published a book/chapter with a title An Improved Locality Sensitive Hashing-based Recommender Approach in a Distributed Environment in 3rd International Conference on Recent Trends in Communication & Intelligent Systems 22-23, Oct, 2021

Dr. Anupama Angadi Associate Professor published a book/chapter with a title Semi-Supervised Label Propagation Community Detection on Graphs with GNN in International Conference on Intelligent Trends and Pattern Recognition

Image-based Content Recommendation System with CNN | IEEE Conference Publication | IEEE Xplore

Dr. Anupama Angadi Associate Professor published a book/chapter with a title Image-based Content Recommendation System with CNN in Fifth International Conference on I-SMAC(IoT in Social, Mobile, Analytics, and Cloud) 11-13, Nov, 2021

Dr. Anupama Angadi Associate Professor published a book/chapter with a title Exploring Graph Embeddings For Making Recommendations Using Graph Neural networks in International Conference on Applied Artificial Intelligence and Computing 2022

Dr.M.Rekha Sundari Associate Professor published a book/chapter with a title Boost your career in National Conference on Emerging Trends in Computer Science Engineering and Information Technology Presented the paper only 2-07-2022

Dr.M.Rekha Sundari Associate Professor published a book/chapter with a title "A Survey On Forest Fire Detection Techniques" in AICTE sponsored IOTDA conference during 17-18 December 2021-22. Presented the paper only 17-12-2021

Dr.M.Rekha Sundari Associate Professor published a book/chapter with a title Project based learning: A teaching Pedagogy in International conference on Transformations in Engineering education Presented a case study Report symposium on Problem and Project based Learning on 9-10-2021

Mr. G.Ravi, Ch.DemuduNaidu, G.Pandit Samuel Assistant Professor published a book/chapter with a title Proposal of ASLR for Voice Disorders in International Conference on Soft Computing for Intelligent Systems (SCIS 2020) December, 2020"

Mr. Satish Kumar P Assistant Professor published a book/chapter with a title Hybridization of Modified Cuckoo-Moth Flame Optimization for Effective Route Recovery of Networks in ICMEET 44409

Mr. Prasadu Reddi Assistant Professor published a book/chapter with a title New Analytic Framework of Public Mental Health Prediction using Data Science in IEEE International Conference on Smart Technologies and Systems for Next Generation Computing 25,26 March 2022
