Feedback Report

A Three Day Workshop on

Connecting Engineering to Community Service (24.07.2023-26.07.2023)

Roll No
48 responses

Section
48 responses

- A
- B
- C

1) Did the workshop clears the doubts related to finding the societal related problems ?

48 responses

- Yes
- No

2) Did the workshop gave the possible ways to solve the societal related problems?

48 responses

- Yes
- No

3) Did the workshop tell the process of publishing our project work in a journal or conference?
48 responses

4) Did the workshop tell the PATENT filling process?
48 responses

5) Any other suggestions

DEPARTMENT OF INFORMATION TECHNOLOGY

A Three Day Workshop on "Connecting Engineering to Community Service"

To enhance the leadership qualities, to solve the real-life problems, to solve the problems related to society with the help of engineering concepts, Dept of Information Technology has organized three-day workshop on "Connecting Engineering to Community Service" to the 4/4 IT students from 24.07.2023 to 26.07.2023. In this workshop, resource persons from Tech Mahindra, FinTech startup have given various ideas, different ways to find the societal related problems to the students in the online mode. Also, the in-house faculty have given about patent filing process, paper publication process to the students. Total 180 students have attended to this workshop. The online link was given below.
