DEPARTMENT OF INFORMATION TECHNOLOGY

SUMMARY REPORT

One day workshop on fundamentals of Intellectual Property Rights and patent processing and approach hands o session conducted on 30-08-2023 at 10:30 am to 12:30 pm by the department of Information Technology, ANITS. The Key Speaker of "**Basics of IPR**" is **Dr. Y.V. Kiran Kumar**, assistant professor, department school of law, GITAM. He started the event with the introduction of IPR and also He mainly focused on basics and different types of Intellectual properties, its utilization and commercialization using real time examples. He discussed briefly about copyrights, patents, and trademark. Also discussed which kind of work applicable for patents and which is not and explain some of value added IPR Courses which are offered by SWAYAM, AICTE.

Afternoon session had started at 2:00 pm to 4:00 pm on 30/8/2023. The key speaker of "**Patent Processing and Approaches Hands on Session**" is **Dr. G. Prassana**, assistant professor, department of ECE, ANITS. He started the event with importance of applying for patents and how patent provide security to innovation products. And also how to do new innovation for patents, application filling and also fees details of patent application. He also discussed some of the websites for applying patent application through websites, and patent offices of different branches in India and the fees details and how to get a patent procedure.

DEPARTMENT OF INFORMATION TECHNOLOGY

Impact Analysis

This session implies that young researchers need to know more about Intellectual Property (IP) rules and rights. With the increasing focus on innovation and research cross border collaboration need to learn about Intellectual Property rights (IPR) to safe guard their innovation has increased among the students. Participates to know that how to apply to own patent right and how to protect its scope.
